## ABOUT

George Soriano is a South Wales based guitarist offering stylish solo performances that transform well-loved songs into captivating instrumental arrangements. Blending beautiful acoustic guitar with upbeat electric guitar sets, George seamlessly creates the ideal musical atmosphere for any setting — from a relaxed intimate ambience to a lively electric vibe.

A seasoned performer with over ten years of experience, he has opened sets for well-known artists such as The Three Degrees and Three Cane Whale. George is a full-time musician and guitar tutor with a music degree from London's prestigious Institute of Contemporary Music Performance. His performances combine technical mastery, tasteful repertoire, and a genuine connection with audiences.

## MEDIA

# PERFORMANCE OPTIONS

## ACOUSTIC SET

Solo acoustic guitar-melodic instrumental covers of well-known songs, beautifully crafted

Ideal for creating a relaxed classy background atmosphere

Perfect for restaurants, lounges, and wine bars

## ELECTRIC GUITAR SET

Solo electric guitar (with high-quality backing tracks)

Lively set for an electric vibe

Great for occasions where a higher-energy feeling is desired

(Venues can book either set or a mix of both across the evening)

## TECHNICAL SETUP

Fully self-contained with professional PA system and audio gear

Compact setup, requires only a single power socket and approx. 2m x 2m space

Adjustable volume to be adapted to suit any environment
